SHOW RULES OF CONDUCT

This Horse Show is conducted in accordance with the Rules of the USEF, particularly the Arabian Horse Division. The official rulebook of USEF will prevail for this show. Each participant in this show is responsible for knowledge of these rules and is subject to these rules. Any changes or corrections of the rules will automatically become part of this print list. Questions that may arise that are not covered by the USEF rulebook will be decided by the Show Committee and their decisions will be final.

ACCESS TO THE ARENA - Any exhibitor using the wrong number or having no number may be excused or disqualified from the class at the discretion of the call judge. No person other than the officials, steward, attendants on duty, and the judge of the class may enter the show ring without permission from the show committee.

ADHERENCE TO AHBA RULES OF CONDUCT - Organizing committee members, show officials, judges, exhibitors and handlers will unconditionally submit themselves and their accompanying persons to the 'Show Rules of Conduct and Procedures' and will accept the jurisdiction of the United States Equestrian Federation (USEF), the Arabian Breeders World Cup Show Committee (ABWCSC) and the USEF Steward. The ABWCSC, USEF and the USEF Show Steward shall not be liable for any consequence of any decision they may make. These Rules will be interpreted where necessary under the provisions by such committees. This show is not recognized by the Arabian Horse Association.

ADMISSION TO RING - There will be an assigned order of go in all Breeding/Halter and In-Hand qualifying classes. The Order of go shall be determined and posted by each horse's birth date, youngest to oldest. The prescribed order of go must be adhered to. Horses that have missed entering the arena in assigned order will be led in by the steward to their assigned order of go position on the rail. It is the exhibitors/handler's responsibility to enter the arena in the posted order of go.

BARN CALLS - Barn calls are a courtesy only. Exhibitors must ascertain when and where classes are being judged. Every effort will be made to advise the exhibitor of any changes in the Tentative Schedule. Due to unforeseeable problems with any mechanical device, the public address system and paddock calls over that system must be considered a courtesy. It is the responsibility of the exhibitor to be sure that their horse is at the gate at the prescribed time. Every effort will be made to maintain a working public address system to carry class calls, however no protest will be upheld, nor will any section or class be changed on the basis of the public address system malfunctions. Exhibitors are responsible for reporting all entries to the Gate attendant before each respective class is called for showing and must enter the ring promptly when called. No entry shall go out of order unless approved by the Show Office. All gate holds **MUST** be registered and approved by the paddock master.

CLASS SPLITS - If the number of entries warrant, the classes may be split in two or more sections. If classes are split, sections will be added (A-D), with 8-15 horses in each. Sections will be established by age of horse then consideration will be given to handlers with more than one horse in a section.

DISGUIISING OF EXHIBITS - No alteration of the basic color of the skin, coat or hooves is permitted. Coat dyes, glitter spray and cosmetic operations including skin grafts are forbidden. Colorless hoof varnishes, Vaseline or oil may be accepted. Artificial methods of dilating the eyes or affecting the natural action of the horse or otherwise influencing its action or behavior by oxygenating the bloodstream or by electrical or chemical treatment of any kind at any time before or during exhibition are forbidden. Burns, cuts or other marks on the body of any exhibit in such places or positions as indicate prohibited methods have been used, will be regarded by the Steward with veterinary advice as full and adequate grounds for exclusion of any exhibit from competition. No equipment intended to alter the natural appearance of the horse is permitted in the stables, including tail racks, hobbles or weights. Exhibitors using such equipment on the showground will be suspended by the Steward for the period of the show. In halter classes horses may be fully or partly body clipped subject to eyelashes being intact, an unroached mane, and a full natural tail. Tactile hair left intact around the nose, muzzle and the eyes are encouraged – judges are NOT to penalize horses shown naturally with such hair left intact.

DISCOURTESY OR DISOBEDIENCE - Exhibitors are warned that any act of discourtesy or disobedience to the officials on the part of the owner, trainer, handler, groom or member of the family of the person participating in the show, will disqualify the horse from adjudication. The management reserves to itself the right to remove a horse, owner, trainer, handler or groom from the show without being liable for compensation or damages. Excessive use of the whip on any horse in a stall, runway, schooling area, show ring or elsewhere on the competition grounds before or during a show, by any person, constitutes a violation and renders the offender subject to penalty. Judges will be expected to enforce this in the arena. Any action(s) against a horse by an exhibitor, which are deemed excessive by a judge, steward, Veterinarian or the Show Committee anywhere on the grounds may be punished by elimination and no refunds will be given. It is a violation of USEF Rules to commit any act or make remarks during the show that are considered offensive or made with intent to influence/cast aspersions on the judging, and any exhibitor may be barred from the show for this offense by Show Committee.

DRUGS AND MEDICATIONS - The drugs and medication rules contained in USEF Rule Book will be enforced. Horses in competition will be subject to examination by a licensed veterinarian appointed by USEF. Said appointed licensed veterinarian, with approval of the USEF, may appoint a technician to perform certain duties under USEF Rules. The examination may include physical, saliva, urine, blood tests or any other test or procedure at the discretion of said licensed veterinarian necessary to effectuate the purposes

of this rule. These representatives must be treated with respect. All horses will be charged a mandatory Drugs and Medications fee which will be paid directly to USEF to provide for research, inspection, and enforcement of rules regarding use of medications and drugs. Any exhibit may be tested at the request of a judge or steward. CAUTION: Refusal to submit a horse for examination, whether in competition or not, and to cooperate with the veterinarian and technicians until the samples have been taken, constitutes a violation and subjects the responsible person to the penalties under the rules. (Refer to USEF Chapter 4: Drugs and Medications.)

Exhibitors who have outstanding fees (Including but not limited to outstanding fees, NSF checks, Stop-Payment checks, disputed credit card fees, etc.) will not be permitted to show and/or exhibit at any ABHA function until fees have been reimbursed and the Show Committee has granted permission. Horses shall not be allowed to be intimidated or to respond in fear. The Performance Enhancer entering the chute for this purpose must display an official ABWC "Chute Pass". No other Performance Enhancers will be permitted to enter the chute area.

Supreme Championships will consist of the following age designations:

- (b) Supreme Junior Championships – horses aged two (2) & three (3) years of age.
- (c) Supreme Senior Championships – horses aged four (4) years of age and older.

Gold Champion, Silver Champion, and Bronze Champion will be awarded in each Arabian Breeders Word Cup Supreme Breeding Championship for Yearlings, Junior, Senior and Amateur handlers.

CLASS CONDUCT –SUPREME CHAMPIONSHIPS (Yearling, Junior, Senior & ATH) – will be officiated by all six judges.

Top ten (10) highest scoring entries (based on qualifying scores) from each section for Yearlings will be eligible to compete in the Yearling Supreme Breeding Championship. First, second and the ten (10) highest scoring entries (based on entry scores) from each division (Junior & Senior) will be eligible to compete in each respective Supreme Breeding Championship. All Championships will be judged independently and comparatively, judges must not confer. Judges will examine all horses: walking, trotting, and standing. All entries MUST remain in the designated warm-up/holding area throughout the entire championship class process or until the winners for the classes have been announced by the Paddock Announcer. Any entry not complying with this requirement will be eliminated from further judging in the supreme championship class and WILL NOT be eligible for any awards.

- (a) All qualified horses to be shown individually at the beginning of each championship class.
- (b) Horse to enter ring at a walk or a trot in hand, horses shall be encouraged to move with elegance, impulsion and charismatic animation at the trot exhibiting authentic Arabian type around the entire circumference of the ring.
- (c) Following the trot, each entry shall exit the ring following the instructions of the Ring Steward. Handlers are requested to use extreme caution when exiting as to not inhibit the performance of any successive entry.
- (d) Horses will be presented youngest to oldest from until every horse from each successive age division has been trotted individually for the championship judging panel.
- (e) The individual presentations at the trot should optimize the opportunity for the championship judging panel to properly assess not only overall quality and capability of movement, but Arabian type, presence, attitude, and charisma as well, for each championship entry.
- (f) Immediately following the individual presentations at the trot, all championship entries shall enter the ring collectively at a walk in a clockwise direction in age order youngest to oldest. The purpose of this presentation is to allow the Judging Panel to collectively assess the quality of the championship entries at a natural walk. All horses shall circle clockwise at a controlled walk around the entire circumference of the ring completing one (1) complete circle at the instruction of the Ring Steward(s).
- (g) The first entry shall line-up approximately 20 ft (6 m) off the rail and facing the in-gate. The first half (5-7 horses) of the championship candidates shall line up head-to-tail behind the initial entry, leaving adequate space for showing and adjudicating. Entries should be evenly spaced in each line with at least 10 ft (3 m) of space between horses' head-to-tail. The lining up of horses DOES NOT indicate a ranking of horses in a Supreme Championship. ALL horses are considered equal in each Supreme Championship regardless of the line in which the stand. Each horse has an option of being named Gold Champion.
- (h) Each entry will then be exhibited INDIVIDUALLY as a halter horse to determine championship placings. Horse to be presented for evaluation by judging panel in a controlled, yet uninhibited and/or intimidated manner. Horse shall stand squarely on all four legs and shall be shown with natural elegance and professionalism. Excessive use of the whip and/or horses that appear intimidated or fearful of the handler WILL BE penalized by the Judging Panel and may result in expulsion from the ring. No individual scores shall be awarded – all judging in the championship classes shall be comparative.
- (i) Judges will move as a group to evaluate each horse in succession. All judges will begin adjudicating each championship horse; judges will then proceed as a group to the next horse, until all horses have been evaluated by the Judging. During the collective evaluation of each Supreme Championship immediately following the collective walk, exhibitors are ONLY allowed to stand-up/show and/or prepare horses for presentation when the Judging Panel is either evaluating their horse or evaluating the horse immediately prior. Only TWO (2) horses should be showing at any time in the arena during the group evaluation by the Judges.
- (j) Once an entry has been evaluated, exhibitors MUST cease from presenting the exhibit until all horses have been evaluated by the Judging Panel collectively. As with the horses waiting to be evaluated, exhibitors are encouraged to stand alongside the horse facing the audience until all exhibits have been evaluated. Once the final horse has been evaluated by the collective group of Judges, Judges are free to roam the arena to evaluate horses individually. At this time, exhibitors may stand-up and present their horses at will.

SCORING SYSTEM - ARABIAN BREEDERS WORLD CUP QUALIFYING CLASSES – For use in all Breeding & In-Hand Qualifying Classes including Amateur to Handle (ATH) classes and AHBA Futurity classes. Individual scores will be awarded by each officiating judge using the Arabian Breeders World Cup Scoring System™ and the corresponding score card (see sample Arabian Breeders World Cup Score Card in this premium). A score of 10-20 will be awarded for each entry in the following six categories:

- | | | |
|------------------|---------------------|-----------------|
| (1) Arabian Type | (3) Neck & Shoulder | (5) Feet & Legs |
| (2) Head | (4) Body & Topline | (6) Movement |

These scores will be 'unweighted' with a total of 120 possible points per judge. The tabulated scores of each judge will then be added together for the Total Score from a total of 360 possible points (with high and low scores in each category dropped). The horse receiving the highest Entry Score in each class will be declared the class winner. The horse receiving the second highest Entry Score will be declared the second-place winner, and so on. IN THE CASE OF A TIE: The horse awarded the HIGHEST TOTAL SCORE IN THEIR QUALIFYING CLASS shall be declared the winner. Should the total points for two or more horses in the qualifying class be the same, the horse receiving the higher total points for TYPE (Total Category Score) shall be declared the winner. Should the total points for TYPE be the same, the horse receiving the higher points for MOVEMENT (Total Category Score) shall be declared the winner. Should the horses further prove to be tied in points for both TYPE and MOVEMENT, the horse receiving the HIGHER PRELIMINARY ACCUMULATED SCORE FROM THE DESIGNATED CALL JUDGE IN THAT CLASS SHALL BE DEEMED THE WINNER. Should the horses still be tied, the horse receiving the higher Preliminary Accumulated Score from the designated Judge 2 in that class shall be deemed the winner. Should the horses still prove to be tied, this process of breaking ties shall continue through the designated Judge 5 for that class until a clear winner can be decided. Should the tie prove impossible to break according to points awarded by the five judges who officiated the class, the tied horses in question will be asked to return to the ring to be comparatively judged by the Reserve Judge (the Judge who did not officiate in the class). The decision of the Reserve Judge will be Final.

SUPREME BREEDING CHAMPIONSHIPS SCORING SYSTEM – The Arabian Breeders World Cup uses the FULLY INCLUSIVE Championship Scoring System for all Supreme Breeding Championships. Under such a system, all entries are treated equally in a Supreme Championship class, regardless of the score or placing earned in the Age Division Championship Qualifying classes. ANY entry in a Supreme Championship may be awarded the title of Gold Champion. Judges will rank 11 (eleven) horses in order of preference for his/her Supreme Champions: specifically, the ranking of GOLD, SILVER, BRONZE and Top Ten with a reserve (in case of disqualification of any horse).

Gold Supreme Champion will be determined according to MAJORITY OPINION: the individual horse receiving the greatest number (majority) of first place votes from the total number of judges officiating will be awarded the title of GOLD SUPREME CHAMPION. No points will be assigned to the ranked entries to determine the title of GOLD SUPREME CHAMPION.

Once the Gold Supreme Champion has been determined by Majority Opinion, points shall be assigned to each of the remaining ranked entries on the Championship judges' cards as follows:

- | | |
|--|---|
| (a) Fifty (50) points will be awarded to each entry placed first | (f) Twelve (12) points will be awarded to each entry placed sixth |
| (b) Forty (40) points will be awarded to each entry placed second | (g) Ten (10) points will be awarded to each entry placed seventh |
| (c) Thirty (30) points will be awarded to each entry placed third | (h) Eight (8) points will be awarded to each entry placed eighth |
| (d) Twenty (20) points will be awarded to each entry placed fourth | (i) Six (6) points will be awarded to each entry placed ninth |
| (e) Fifteen (15) points will be awarded to each entry placed fifth | (j) Four (4) points will be awarded to each entry placed tenth |
| | (k) Two (2) points will be awarded to each entry placed eleventh |

Gold Supreme Champion will be determined by the MAJORITY of Gold placings awarded by the judges. The Supreme Silver and Bronze Supreme Champions will be determined solely by points calculated from the Supreme Breeding Championship Point Schedule above. Rules For Ties In the case of a tie for GOLD (no Majority) in the Supreme Breeding Championship, the GOLD will be awarded to the horse with the highest combined points awarded by the Supreme Breeding Championship Point Schedule. Should there still be a tie; the procedures in "Rules for Ties." shall apply. In the case of a tie for Silver or Bronze Champion, the higher place will be given to the horse with the highest qualifying points in the qualifying classes. If there is still a tie, the higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points for movement. Failing a decision thus far, one judge chosen by ballot will name his/her preference.

Following the judging, all horses will be excused from the ring. Horses will begin with the Bronze Supreme Champion will be announced and honored. Immediately preceding, the Silver Supreme Champion will be announced and awarded. Immediately following, the Gold Supreme Champion will be announced and decorated. In the event a class winner is unable to participate in the supreme championship class for as a result of disqualification, the horse placed second in that class will move forward and be judged as the class winner. The horse placed third in the qualifying class may also move up to second place in the supreme championship, will be judged accordingly and will be eligible for Gold Champion, Silver Champion & Bronze Champion. All horses that qualify for their respective supreme championships must participate in the championship class. Failure to compete in the supreme championships will disqualify the horse from the class. In the event of a disqualification, horses placed below the disqualified horse will move up a place in the class but are not entitled to enter the supreme championships.
